Online Job Postings, 2015

Real-time online job postings available through direct employers and staffing agencies between 1/1/2016 and 3/31/2016 (excludes anonymous and duplicate postings). Maintenance Repair Worker was defined as the industrial machinery maintenance occupations, refractory materials repairers, and millwrights (SOC 49-9041, 49-9043, 49-9044, 49-9045). Results were very similar to Mechatronic Tech. Skills and education data based on required skills identified by employers in jobs advertised online in 2015. Top titles count back 4 years. Accessed 9:00am on 3/31/2016 at www.wantedanalytics.com. Differences in counts pulled at an earlier or later date are likely the result of changes in access to certain job banks, websites, or databases as well as actual changes in available jobs. *Indicates skills not specifically identified by Pipeline Competency Pyramid.
